

Health, Safety & Environmental Internship

- Job Title:** Health, Safety & Environmental Assistant
- Reporting to:** Group Health, Safety & Environmental Manager
- Location:** Portlaoise, Co. Laois
- Contract Type:** 9 month fixed term under Government Job Bridge scheme

Overview of Internship:

The Intern will gain practical experience in and exposure to a varying range of health, safety and environmental (HSE) issues and matters within the Enva group, for example - assisting in the maintenance of the company HSE management systems (ISO 14001 & OHSAS 18001) and ensuring compliance with legislative requirements including compliance with various EPA licence requirements.

The Intern will also be involved in the promotion of a positive HSE culture within the organisation through initiatives supported by the company and in the communication of HSE requirements through out the group as required.

They will provide assistance and support and will work closely with the Group HSE Manager who will act as mentor and provide all guidance, assistance and training necessary.

Education/ Qualifications Required:

Ideally the successful candidate will have a recognised Third Level Qualification in Environmental and/ or Health & Safety.

Skills Required:

Excellent communication and interpersonal skills.
Excellent organisational skills.
Ability to work on own initiative and as part of a team.
Computer literate.

Salary:

The successful candidate will receive an allowance of €50 in addition to their social welfare (e.g. job seekers) allowance, directly from the Department of Social Welfare. They will also be reimbursed for any expenses incurred during the course of their internship.

Applications:

If you are interested in applying for this internship please send a cover mail and updated CV to aphelan@enva.ie

You must also satisfy the eligibility criteria for the National Internship Scheme; see www.jobbridge.ie for further details.
